Parklane Apartments are our neighbors across the street from the church and we need to be mindful of their driveway access as well as fire route access. Please do not park or block the plowed area in front of the apartments (lakeside) as this is a fire route and their exit onto Park Street.

Library Update - We ask that each and every household search the crooks, crannies and personal bookshelves for Lakeside library materials. There are a number of overdue books, DVDs and videos. Help us to be able to continue to help others who would like to use these materials. Please also remember to sign out the library materials you are borrowing.

Rwanda Trip – November 8th - November 23rd - If you are interested in finding out more information about this mission trip please meet in the library immediately following this service.

Congregation Meeting Update! All of the motions from our meeting held this past Wednesday were passed. Thank you for your support and participation!!
